## JOB POSTING

**Position:** Photographer  
**Reference #:** 02074  
**Organizational Unit:** HEE-NSP-FS/OS  
**Appointment Type:** FTT  
**Location:** Huntsville, AL  
**Date Posted:** June 19, 2018

**PURPOSE** The Photographer performs both object photography and latent print photography. Latent print photography requires capture of high resolution images of latent prints on a wide range of complex forensic material associated with IEDs. Photographers recognize developed latent prints and preserve them in a manner to ensure that the images are correctly captured and retrievable. Photographer personnel must complete an internal training program for working with evidence.

### **ESSENTIAL JOB FUNCTIONS:**

- Process images using advanced imaging software, prepare detailed notes of work, and preserve images on non-rewritable media, as appropriate
- Research, develop, and author whitepapers and informational papers, as required.

**JOB REQUIREMENTS:** Associate's degree in photography with at least two (2) years of photographic experience or a Bachelor of Arts (B.A.) / B.S. degree in photography.

Applicants must be able to obtain and maintain a TOP SECRET security clearance issued by the Federal Government

**Experience:** At least five (5) years of experience in photographic documentation of evidence.

**Skills:** In depth knowledge of Photoshop and photography, experience working with macro lenses, organizational skills, and multi-tasking in a fast paced environment. Job requires the ability to photograph a variety of subject matters from crime scene to event imaging. Good communication skills and the ability to work well with others required. This is a detail oriented position, which requires the need to stay focused and at times prioritize many jobs.
