

The Charles County Sheriff's Office

is now accepting applications
for the position of
Deputy Director, Forensic Science Section
Grade 18 / \$83,751

This exempt executive management position plans, manages and directs the functions of the Forensic Science Unit and the Digital Forensics Unit. The Deputy Director is responsible for the overall administration of the Forensic Science Laboratory as specified in requirements set forth by COMAR 10.51.06.05-10.51.06.07. This position will also oversee the collection and evaluation of digital evidence, ensuring that training and equipment are properly maintained, and keep pace with trends and technological advances.

REQUIREMENTS:

- Eight (8) years of experience in law enforcement with three (3) years in Criminal Investigations, or, any equivalent combination of experience and training which provides the required knowledge, skills, and abilities.
- Must have a Master's Degree in Forensic Science, Natural Science (such as Chemistry, Physics, or Biology), or a subspecialty or Natural Science (such as Organic Chemistry, Biochemistry or molecular biology).
- Three (3) years documented lab experience and two (2) years of supervisory experience per lab licensing requirements.
- Completion of an accredited crime scene technical school and completion of certified photography classes.
- Ability to recognize physical evidence and know its potential value.
- Knowledge of techniques for recovering and preserving physical evidence.
- Ability to document investigations, including the recovery of physical evidence.
- Ability to use a fingerprint magnifier and crime scene technician equipment.
- Ability to respond immediately to calls for Forensic Science Technician service, both on foot and by motor vehicle.
- Ability to be exposed to all types of environmental conditions ranging from a courtroom setting to standing at a crime scene for a prolonged period of time. Temperatures ranging from below freezing to above 100 degrees.
- Ability to utilize a high level of discretion, good judgment, and confidentiality.
- Must pass a comprehensive background investigation.

Candidates for this position must meet the education and experience requirements at the time of appointment.
